

CBS Adventures Abroad

Grant Zastoupil // Scotland

How did you connect with the local community?

There were events happening every weekend ranging from music concerts, farmers markets, free events happening at the museums and art festivals. People in Scotland are very easy to chat with and are welcoming of you into their community!

What was your most memorable experience?

My most memorable experience from my time abroad was a Friday night in which the host university held a ceilidh, which is a traditional Celtic dance party. Here there was a bunch of great food, plenty of kilts (always a plus) and some ridiculous dancing. After that a few of the people from my class went down to a local pub but had to leave before 11 so we could hit up the best ice cream Scotland has to offer (it was easily the best ice cream I've ever had)!

Student Scoop

Major: Genetics, Cell Biology and Development

Describe your experience in 5 words:

Drizzly, Charming, Dingy, Mysterious, Brooding
